

Title	Online Future Intelligence Summit 2021 - Conferences/ Virtual exhibition/ B2B meetings
Type	Brokerage Event
Start Date	01 Jun 2021
End Date	03 Jun 2021
City	Virtual Event (Toulouse)
Country	France
Description	<p>Future Intelligence is the international B2B summit for Artificial Intelligence and innovation through data. During three days from 1 to 3 June 2021, come and meet experts and take part in debates and workshops around AI and data!</p> <p>This new event entirely dedicated to Artificial Intelligence puts project leaders in contact with solution providers via a personalized agenda of pre-programmed B2B meetings and numerous informal networking opportunities throughout the show. Virtual B2B meetings will be held on June 2 and 3.</p> <p>AD'OCC, member of the Enterprise Europe Network, manages the full programme with ABE and the main in partnership with the trade fair organisers (IANP, Aerospace Valley, ANITI, Occitanie Data). The Enterprise Europe Network has been also assigned to promote this novel event and to manage the participants registration through the ABE digital platform:</p> <ul style="list-style-type: none"> - optimize your profile, - provide valuable information to maximize your visibility, - help you to organise your personal schedule before the event, including your pre-programmed B2B meetings for the 2-days virtual matchmaking sessions, - an individual satisfaction follow-up during and after the event. <p>* 1 June 2021 :</p> <p>Future Intelligence Summit will open with one full day of conferences under the patronage of IANP. A high-level and international group of government leaders with industry, research, academic, and civil society stakeholders will come to the stage to discuss, debate and examine the AI world order and whether Europe can be influential in the near future : https://futureintelligence.tech/summit/#speakers. It will tackle key questions about the future of AI European regulation and the technology's implementation in highly critical sectors.</p> <p>* 2 and 3 June 2021 :</p> <p>Days 2 and 3 of the event will gather even more industry experts to discuss the application of AI in various industries, such as mobility, manufacturing, and services, but also the role of AI in enhancing business activities. Virtual B2B meetings will be held aside from the presentations on June 2 and 3.</p> <p>Key deadlines and useful information :</p> <ul style="list-style-type: none"> • A 3-days event : 1-3 June 2021 • Agenda : https://futureintelligence.tech/summit/#full-agenda • Languages : most of the presentations will be given in French with simultaneous interpretation in English. • Deadline for registration : 3 June 2021
