General Information

Short summary

A furniture company from Czech Republic is looking for reliable partner to outsource manufacturing capacity. Looking for a manufacturer with classic woodworking machinery who is able to produce as OEM. The volume might be up to 1000-2000 pieces a year. The SME is looking for partners for an outsourcing or supplier agreement.

Full description

A Czech SME is a manufacturer of a specific components made of wood.

The wooden furniture is made from solid wood, mostly spruce and oak. Majority of the products are wall panels in simple rectangular construction.

Some parts of the furniture are upholstered (front panels). CNC machine is advantageous for a faster production.

The SME requires the furniture to be non-branded or with company brand. The partner sought will be producing the furniture as OEM partner. The production is in batches based on the standard purchase orders. Technical drawings and samples will be available after NDA signature.

The volume might be up to 2000 pieces a year. The dimensions of the products are usually 120x60 and 180x60 cm.

Every product is made in parts to be easily packed into cardboard boxes of size 120x60 cm.

The SME is looking for partners for an outsourcing or supplier agreement.
