## General Information

### Short summary

The established German company is an innovative and leading manufacturer of office furniture. They produce high-quality and modern desks, tables, containers and office system furniture. They are looking for a chrome plating company to have chair frames chrome-plated to a high standard. Cooperation under an outsourcing agreement is envisaged.

### Full description

The German renowned and experienced company specialises in the production and distribution of high-quality office furnishing systems. Desk systems, meeting and conference tables, cabinets, containers, caddies and movable wall systems are developed and manufactured by the 1872 founded, medium-sized company.

In recent years, the company has developed into an innovative office furniture manufacturer with international recognition in a difficult market. Their products stand for modern, award-winning design, coupled with the highest quality and a high standard of service and customer friendliness.

The company is looking for a chrome plating company to have their newly developed chair frames chrome-plated. High quality and reliability are essential.
