Full description

A Polish company producing natural cosmetics for children is seeking producers of essential oils. The company's products are primarily for children, so it's crucial that the oils are 100% natural and pure. The company's cosmetics are suitable for children from day one. The cosmetics are recommended by aromatherapists, dermatologically tested, hypoallergenic, have 100% natural ingredients, are suitable for vegans, and have 100% recycled packaging. The company is seeking foreign producers or distributors of essential oils (primarily white thyme and lavender, although other scents are also sought) who offer the desired products.

Advantages and innovations

- Proven knowledge of the quality and origin of the raw material
- Research-confirmed effectiveness
- Products intended for infants from day 1 to 1 year of age
- The highest possible level of natural raw material content
- Cosmetic formulas are dermatologically tested
- Raw materials used in production come from trusted suppliers in the immediate vicinity.

When selecting suppliers, the company pays particular attention to factors such as: owning its own organic plantations of flowers such as calendula, lavender, hyssop, purple coneflower, and many others, and pressing oils only from regional seeds and using them in cosmetics

- Products with 100% natural ingredients

Technical specification or expertise sought

The company is primarily looking for two types of essential oils: white thyme and lavender, although other scents are also sought.

Ordered quantities will range from 25-200 kg, depending on the scent.

The company is seeking two groups of partners:

- 1) Distributors: Distributors should offer 100% natural and pure essential oils.
- 2) Essential oil producers

All long-term partnerships are welcome.
