General Information

Short summary

Danish retail and e-commerce company specialising in curated, responsible fashion brands is searching for manufacturers of premium cotton jersey products under private label. The company focuses on natural materials, high quality and long-lasting design, and seeks partners able to produce small to medium quantities with certified sustainable standards.

Full description

The Danish company operates a retail store and e-commerce platform offering a curated selection of more than 40 responsible fashion brands, focused on natural materials, quality and long product lifespan.

The company aims to establish its own private label and is therefore looking for manufacturing partners for jersey products with the following characteristics:

- 100% cotton jersey (clean materials) – heavy quality (>200 gsm)
- Focus on natural fibres and certified materials
- Different fabric qualities and structures
- Ability to develop different patterns and drops

Product range:

- T-shirts (short and long sleeves)
- Basic wardrobe styles

Certifications: GOTS or equivalent (e.g. BCI/BETTER COTTON)

Focus on durability, quality and low environmental impact

The company values long-term partnerships and co-development of products aligned with slow fashion principles and responsible sourcing.

Advantages and innovations

- Curated retail concept with strong positioning in responsible fashion
- Experience with high-quality brands and customer preferences
- Established retail and e-commerce channel
- Focus on long-lasting products and slow fashion
- Strong understanding of customer demand for sustainable materials
